**This Year's Event** The Rushmore Pilgrimage has been a tradition since 1938. At the first hike, there were only the images of George Washington, Thomas Jefferson and Abraham Lincoln on the mountain. The final carving, Teddy Roosevelt, was still under construction. In past years we have had as many as 1,000 participants from Troops throughout South Dakota, Wyoming, Colorado, Nebraska, North Dakota, Minnesota, Montana, Wisconsin and Iowa, just to name a few.

**Come Hike the Faces** Hikers depart from locations throughout the Black Hills, following the Washington, Jefferson, Roosevelt, and Lincoln Trails to Mount Rushmore. Age appropriate trails for Webelos and Cub Scouts are also available.

**Unit Leader Responsibilities** Plan the Pilgrimage just like a Camporee. Provide adequate food, water, equipment and transportation for your Scouts. Make sure that everyone is dressed for the weather conditions. For safety reasons, the Trail's Hike Master and/or medical services staff will have the final approval of all Scouts, Scouters and guests on the trail.

- **Two Deep Leadership is required while in camp and on the trail. Remember, you are responsible for the conduct of your Scouts- not the Hike Master.**
- Units must Check-in with Camp Masters (Camp Host) between 5pm-7pm on Friday. Those that are only hiking (not camping with a unit) must check-in with the Camp Masters prior to when the individual hike begins.
- At Check-in, units must have the following Required Forms:
  - Copy of Tour Plan
  - Copy of their registration form
  - Proof of payment or a check for payment amount
  - Provide a list of Scouts, Scouters and guests staying overnight and/or hiking the trail.
  - Copy of current year Annual Health and Medical Record for each participant
- There will be a **Leader's Cracker Barrel** at each campsite on FRIDAY NIGHT after registration check-in. Hiking plans and other activities will be confirmed during this meeting.
- Unit leaders are responsible for **registering** their hikers with the Hike Master at the time of the Cracker Barrel. If not previously turned in, they will provide an Overnight Camping & Unit Hiking Roster.
- Unit leaders should thoroughly review the **RISK ADVISORY and PHILMONT WEIGHT LIMITS FOR BACKPACKING AND HIKING guidelines contained within this Leader's Guide**, to ensure their registrants are prepared to meet the physical demands of the hike.
- Units should notify the **Camp Master** (or designed Master of Ceremony) of what skit/song you will be performing at the Saturday night **Campfire**.
- Each Scout must have an **Adequate Water Supply** brought from home. The recommendation is at least 2 liters per Scout (3 liters for hikers on the Roosevelt Trail).
- Appropriate **closed-toe Hiking Shoes** with socks, sandals and tennis shoes are not appropriate for the trail.
- Poison ivy in the Black Hills is widespread. **Long Pants** are strongly encouraged.
- Saturday will be a strenuous hiking day so everyone is asked to be quiet after **Lights Out** at 10pm on Friday night.

- Units with **Webelos Scouts** are encouraged to work with a Boy Scout Troop to coordinate co-camping and transportation needs between these two units. However, for those Webelos that would like to camp overnight, but are not currently associated with a Boy Scout Troop, we will have space reserved at the Sheridan Lake South Campground. Please note: Packs are individually responsible for providing transportation to the appropriate trailhead on Saturday.
- **Cub Scouts** are encouraged to participate in age-appropriate activities at Mount Rushmore on Saturday afternoon. For those Tigers/Wolves/Bears that would like to camp overnight, but are not currently associated with a Boy Scout Troop, we will have space reserved at the Sheridan Lake South Campground. Please note: Packs are individually responsible for providing transportation to all appropriate trailhead on Saturday.
- **Transportation** All individual units will be responsible for their own transportation from Mount Rushmore Saturday afternoon. **AN ANNUAL PARKING FEE IS REQUIRED FOR EACH VEHICLE TO ENTER MOUNT RUSHMORE.**

**Registration** All units should be registered prior to the event. On-site check-in will be held on Friday from 5pm-7pm at your designated camping area. Two unit leaders must sign-in when they check in with the Camp Masters, provide a list of Scouts, Scouters and guests staying overnight and/or hiking the trail.

The registration **DEADLINE is September 4th**. To ensure a unit's chances at receiving their preferred trail assignment, register early. Units that register after the deadline will be assigned in accordance with US Forest Service and National Park Service trail guidelines. The Black Hills Area Council will notify units of their trail assignments no later than September 7th.

**Boy Scouts/Venture Crews** Your registration fees go to pay for the following: US Forest Service user fees and special use permits, Pilgrimage Trail Rocker (Center Patches, can be purchased if they don't already have one), camping facilities and amenities, awards and insurance.

- \$25 per Scout (In-Council or Out-of-Council)
- \$15 per Adult

**Webelos Scouts** Your registration fees go to pay for the following: US Forest Service user fees and special use permits, Pilgrimage center patch, camping facilities and amenities, awards and insurance.

- \$25 per Scout (In-Council or Out-of-Council)
- \$15 per Adult

**Cub Scouts** Your registration fees go to pay for the following: special use permits, one Adventure Trail segment or Be a Junior Ranger patch, and insurance.

- \$10 per Scout (In-Council or Out-of-Council)
- \$10 per Adult

- Other non-Cub Scout hikers are free, but will not receive segments/patches.

**Activity Refund Policy** Food and program supplies are purchased in advance based upon projected youth/adult attendance. Last minute cancellations create an overstock of supplies and food that often times cannot be returned. To ensure all requests receive uniform treatment, the following refund policy has been established:

- **“No Shows” at activities, those sent home because of misbehavior, and Scouts** leaving an activity for non-emergency reasons forfeit all fees and no refunds will be authorized. This applies to individuals and/or units.
- All cancellations must be in writing and received by the Council office **prior to an activity’s start date. Please return request addressed to the Attention of the “Refund Committee”.**
- The unit leader or person in charge of the unit activity must handle all refund requests.
- No requests for refunds will be honored after the event.
- Refund **checks will be made out to the “unit” rather than an individual.**

**NOTE: Activity personnel cannot authorize refunds.** All refunds require the approval of the Refund Committee which includes the Scout Executive.

**PLEASE RETURN YOUR REQUEST TO:**

Black Hills Area Council, BSA  
Attention: Refund Committee

Rapid City, SD 57701

**Hiking Trails** This year’s Pilgrimage will end at the Mount Rushmore Memorial parking garage with a ceremony at the amphitheater to follow. Hike Masters are responsible for ensuring unit leaders for their assigned trails are notified of the details for their hike at **the Leader’s Cracker Barrel on Friday night.**

In order to meet US Forest Service and National Park Service trail guidelines, the number of participants on each trail must be evenly dispersed. **Units will register for trail assignments by their first, second, third and fourth choice preference.** The Black Hills Area Council will notify units of their trail assignments no later than September 7<sup>th</sup>.

Assignment accommodations for individual Scouts with special circumstances (e.g. last trail needed to complete trail segments before 18<sup>th</sup> birthday) will be considered. **AFTER** an accommodation has been approved, each unit must coordinate participation with the appropriate Hike Master.

**WASHINGTON TRAIL** Lead by Troop 131; Hike Master, **Justin Perkins**. Units will camp near the Rushmore Cave. This is a trail of moderate difficulty.

**JEFFERSON TRAIL** Lead Troop 1187; Hike Master, **Jamie Cox**. Units will camp at the Center Lake Campground located near the Black Hills Playhouse. This is a trail of strenuous difficulty.

**ROOSEVELT TRAIL** Lead Troop 320; Hike Master, **Ray Thompson**. Units will camp at the Willow Creek Campground, near Palmer Gulch KOA. This is a trail of strenuous difficulty.

**WEBELOS TRAIL** Lead Pack 16; Hike Master, **Sweet P Keierleber**. Webelos are encouraged to work with a Boy Scout Troop to coordinate co-camping and transportation needs between these two units. The Webelos Trail starting point has not been determined, the starting point and additional details will be provided to each registered Pack upon registration. **The expected check-in time is 10:30am with a start time of 11am.** This is a trail of moderate difficulty.

**CUB SCOUTS** Hike Master; **Mount Rushmore Ranger**. **Cub Scouts and parents will gather at the upper deck of the Mount Rushmore Amphitheatre at 12:45pm with a start time of 1pm.** Cub Scouts will hike the boardwalk trail (this is an easy hike), then participate with their unit in the **BE A JUNIOR RANGER** program. Tigers/Wolves/Bears **WILL ONLY BE ALLOWED** to hike this trail. Families are encouraged to participate, but this is not an event for young children. Remember, each Pack must provide adequate adult supervision.

**Risk Advisory** Since its inception, the Pilgrimage has had an excellent health and safety record. We strive to minimize risks to participants by emphasizing proper safety precautions. If you decide to attend Pilgrimage, you should be physically fit, have proper clothing and equipment, be willing to follow instructions and take responsibility for your own health and safety. The Pilgrimage is not “risk free”; therefore, you should be willing to listen to safety instructions carefully, follow directions from the Hike Master and take appropriate steps to safeguard yourself and others.

Parents, leaders and participants at the Pilgrimage are advised that this event can involve exposure to an accident, illness and/or injury associated with high elevation and is a physically demanding high adventure program in a remote mountainous area. Participants may be exposed to occasional severe weather conditions such as lightning, hail, flash floods or extreme heat or cold. Other potential problems include: injuries from tripping and falling, motor vehicle accidents, worsening of underlying medical conditions such as diabetes or asthmas, heart attack and heat exhaustion. The volunteer medical staff is trained in first aid and CPR to assist in recognizing, reacting and responding to accidents, injuries and illnesses. They work with the Hike Master to determine if someone can participate in the hike. Remember, response times can be affected by location, weather or other emergencies.

Each unit leader is encouraged to use the “**Philmont Weight Limits for Backpacking and Hiking**” as a guide for determining who should hike the trails. WE STRONGLY RECOMMEND that participants that fall outside these levels be counseled not to attempt the hike.

**PHILMONT WEIGHT LIMITS FOR BACKPACKING AND HIKING** Each participant in a trek must not exceed the maximum acceptable limit in the weight for height chart shown below. The right hand column shows the maximum acceptable weight for a person’s height in order to participate in a trek. Those who fall within the limits are more likely to have an enjoyable trek and avoid incurring health risks. Philmont recommends that participants carry a pack weighting no more than 25-30% of their body weight.

Washington, Jefferson and Lincoln Trails have road crossings for water replenishments-Roosevelt Trail does not. **The Hike Master and unit leaders must ensure that all hikers have adequate water, minimum of 2 liters per Scout (3 liters on Roosevelt Trail).**

**Uniform Requirements** All Scouts and Scouters must wear a uniform appropriate for the trail and proper hiking shoes/boots. Before entering the Mount Rushmore Amphitheater, Scouts and Scouters should be wearing a full uniform, be sure that your Scouts look sharp. Only Scouting hats will be permitted in the amphitheater and **ONLY SCOUTS IN FULL UNIFORM WILL BE ALLOWED TO PARTICIPATE IN THE PARADE OF FLAGS** (carry the flags during the parade or while on stage).

NOTE: A full uniform is designated as: field uniform shirt, field uniform pants, Scout socks and a Scout belt (a Scout hat and/or neckerchief is optional).

**Rushmore Ceremony** Units will gather in the designated meeting location in the southeast lower parking garage. One fully uniformed Scout carrying the unit flag (not a US Flag) will lead the unit in the Parade to the amphitheater. The Opening Ceremony will be conducted by the 2014 Golden Boot and Silver Sneaker Units. The awards ceremony will begin promptly at 4pm.

NOTE: If a fully uniformed Scout is not available for a unit, another Scout will be designated to carry the flag on behalf of the unit.

**Campsite Campfires** The trail leading unit with the assistance of the Camp Master is responsible for hosting a campfire on Saturday night. Each unit is expected to participate, by performing a song or a skit. Note: Burn bans may be in effect, in that instance no actual wood or charcoal fire will be allowed.

**Religious Ceremony** Each unit is responsible for their own religious ceremony on Sunday morning. If a collection is taken, the funds should be directed to the International Brotherhood of Scouting. Funds collected should be turned into the Camp Master.
