Welcome Letter

Dear Scouter:

Thank you for taking a few minutes to review this guide. In it you will find important information which will help you and your Cub Scout prepare for an unforgettable resident camp experience! Our outstanding summer camp staff and council are committed to providing every camper at RSR a safe, quality, and fun-filled program that they will remember forever.

My name is Alexis Yakich and I am humbled to be serving as Camp Director for the 2018 summer camp season. For six years I have been working in the camp world and it all started at Rainbow Scout Reservation. Words cannot describe the excitement I have to be coming back to RSR this summer working with the best summer camp staff around!

There is no youth program in the world that compares to the growth and develop youth experience while attending camp, let alone a BSA summer camp. Starting this year, girls registered in the Cub Scout program can attend resident camp, earn advancements, and experience the Scouting magic at RSR. You can expect a weekend of nonstop fun filled with exciting activities, roaring campfires, foot stompin' songs, and top-notch advancement and award opportunities.

Get ready to fly into the unknown, searching for extraterrestrial life at RSR's *Area 51*. Aliens, Aliens, ALIENS!

The summer camp staff has been hired and are working hard to plan the *best summer ever* for everyone who camps with us this summer! You will not find a better group of young adults who embodies the ideals and principals of Scouting.

See you at RSR!

Yours in Scouting,

Alexis Yakich | Camp Director
Eric Lindstrom | Program Director
Ben Herbert | Camp Commissioner

2018 Camp Highlights

- **Family Scouting** – As an early access council for girls in cub scouting, we will be offering our resident camp to both boy and girl dens. Now the whole family can come to resident camp.
- **Special Theme** – Experience what really happens in the mysterious military base *Area 51*. Who or what will you find when investigating the secrets of aliens from outer space?!
- **STEM Area** – To expand the amount of Adventures we can provide, we had separated STEM from Boulderling, making STEM its own distinct area. You can look forward to fun projects at STEM, and more opportunities at the Boulderling Area.
- **Cub Scouts and Webelos together** – Our unique schedule and program allow for both Cub Scout-aged and Webelos Scouts to attend the same session. Have more than one child in the Scouting program? Bring them all! This helps packs come as a group, saves money on travel expenses, and lets families enjoy time together.
- **Professional Staff** – RSR employs a highly trained summer camp staff with skills and energy that are unmatched in the business. Our staff develops and delivers a top-notch program unlike any other camping experience for Cub Scouts. Try it out and you will agree!
- **Overnight Camping** – Resident camp allows for Scouts and their parents to enjoy a 4-day, 3-night overnight camping experience that helps boys prepare for their transition to Boy Scouting, enjoy the outdoors, and develop their outdoor and camping skills. Don't forget, our staff is here to assist you during your stay.
- **Advancement Opportunities** – Our program schedule allows for youth to participate in fun and challenging sessions while also choosing from various advancement sessions. We will once again include 2 days of advancement opportunities for you and your scouts. This change will also allow for more time for you to enjoy all of what camp has to offer! These sessions include Wolf and Bear Adventure Loops as well as Webelos Adventure Pins. There is always something going on around camp, be sure to check it all out!

About RSR

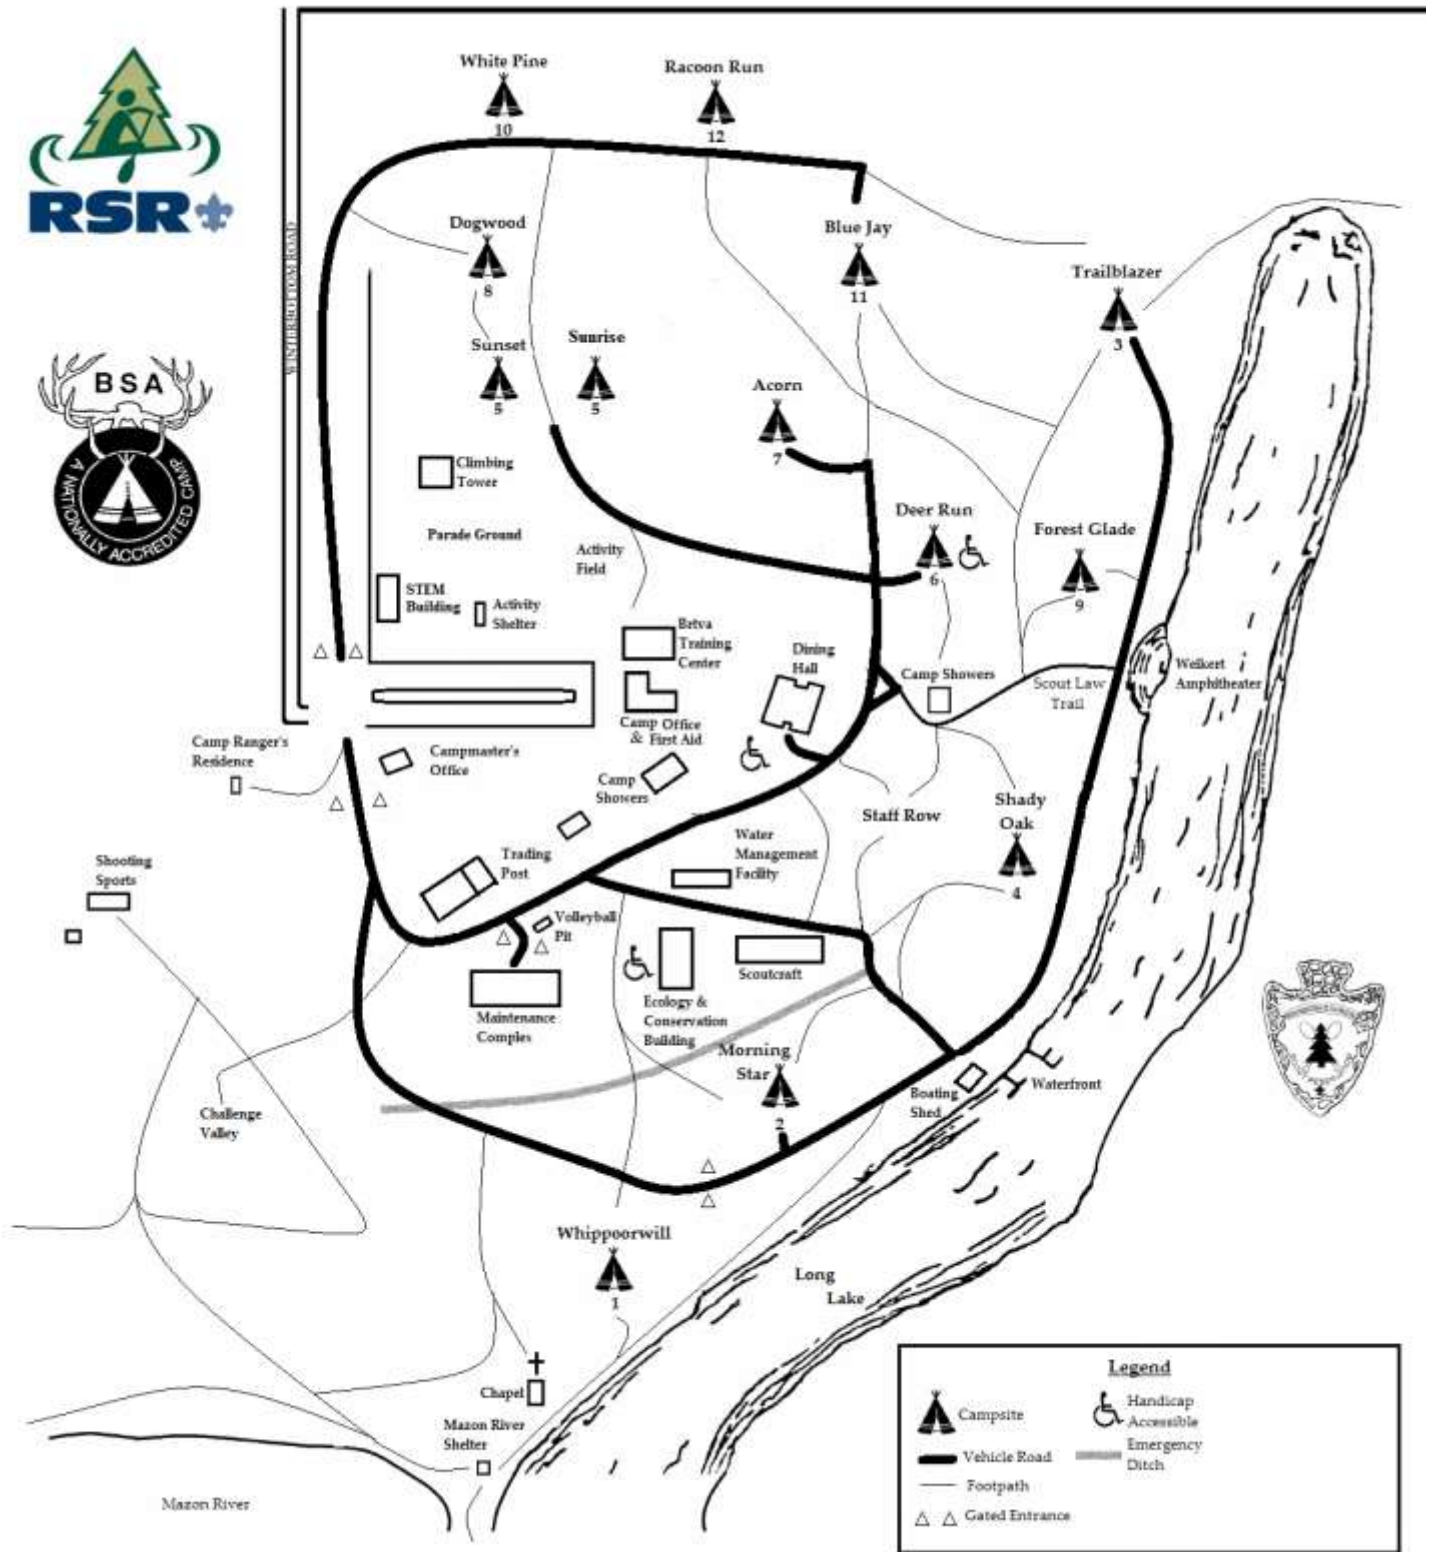

The Rainbow Scout Reservation is a 737-acre preserve located in Grundy County, approximately 7 miles southeast of Morris and 25 miles southwest of Joliet. The service center for Rainbow Council, which serves Scouting youth in Will, Grundy, and Kankakee counties, is in Lockport. The camp has been in service since 1968 and contains a variety of terrain, including prairie remnants, lakes, wooded river bottoms, soft and hard woods, and rugged topography.

Program Overview

Day 1: Check in, welcome, and opening campfire ceremony

Day 2 AND Day 3: Advancement offered all morning, open programs offered all afternoon, highlight program features after dinner in the evening.

Day 4: Check out and departure

When you arrive at camp, you will be assigned to a den for your time at camp. This den will help you move through the daily schedule, find your camping arrangements, and much more. It is also a great opportunity to meet new scouts and scouters from around the area.

Open Programs

Open swimming

Waterslide

Bouldering

BB shooting

Archery shooting

Air Pellet Guns (Webelos only)

Arrow of Light Overnight

The Arrow of Light Overnight on the last night of camp will give Scouts a taste of what camping with a Boy Scout troop is like. Parents and Webelos will trek out to a special campsite, set camp, and enjoy a series of activities and discussions centered on the transition to Boy Scouting. This is a great way to get your son ready for the next step in the Boy Scouting program! Do not miss this special night for Webelos only!

After dinner, Scouts will play games with the staff before settling in to enjoy a special campfire and ceremony. Then they will enjoy homemade popcorn and s'mores before an optional astronomy hike. Finally, they will spend the night under the stars (you may bring a tent if you wish) before hiking back in the morning.

No special equipment is required for this program. Scouts will need only a sleeping bag, water bottle, bug spray, and flashlight. You may want to bring a backpack to use on the hike. Tents are optional and can be provided by the camp.

Food Service

We take great pride in our food service for both quality and quantity. Our expectations are higher than most camps, and this is reflected in the positive comments made by campers and by the number of repeat campers we receive.

Our menus are approved by a certified dietician to meet the needs of active Scouts. Individuals requiring special dietary needs due to religious beliefs or medical reasons must contact the camp director in writing at least two weeks prior to the beginning of their scheduled camp session.

Field dress uniforms are expected at breakfast and dinner. Lunch attire is whatever the boys and leaders are wearing while in sessions. Swimming trunks and hats are not permitted to be worn in the camp dining hall.

For sanitation reasons, please do not store perishable food in campsites. Arrangements can be made with the dining hall staff for the storage of limited amounts of perishable food items.

Special Program Features

- **Orientation**
 - Upon arrival at camp you will be assigned a campsite and a staff guide. The guide is responsible for assisting the group by giving a tour of the camp, helping the group set up their campsite, and guiding the group through the medical and swim checks. More than one pack will be assigned to the same campsite. *Units that wish to camp together should contact the camp leadership with that request prior to arrival at camp.*
- **Dinner on Arrival Day**
 - On the first day of camp, dinner will be served from 5:00-6:30 pm. It will be a bag dinner to allow you to return to your campsite and continue setting up if necessary.
- **Trading Post**
 - The camp maintains a Trading Post for the convenience of the campers. The Trading Post carries items such as camp souvenirs and clothing, candy, ice cream, soft drinks, craft items, and bathroom essentials. Scouts may also purchase camping equipment such as knives, compasses, canteens, and bug spray.
- **Quartermaster**
 - Equipment items such as brooms, rakes, and shovels may be checked out from the Quartermaster located in the Trading Post. Items must be returned in good condition before you check out.
- **Campfires**
 - The camp staff will organize the opening campfire. They will entertain the Scouts with songs, skits, jokes, and stories. On the last night of the session, Scouts who are not attending the Arrow of Light Overnight will have an opportunity to perform their own skits and songs for the camp. Depending on weather conditions, pack campfires are permitted in your site with adult supervision. Please be considerate of other groups in your campsite and share the fire ring if necessary.
- **Flag Ceremonies**
 - Camp is the ideal location for boys to learn and practice flag-handling skills. The staff will perform the flag ceremony on the day of arrival. The campers will have the chance to do all other flag ceremonies. The staff is happy to assist the campers and their leaders with practicing and understanding the parts of the ceremony. Flag ceremonies are held at 7:50am and 5:50pm daily.
- **Arrow of Light Overnight**
 - Webelos Scouts are invited to attend the Arrow of Light Overnight on the last night of camp. Accompanied by some of our most experienced staff members, they will hike to a campsite that is normally used only by Boy Scouts, where they will set up camp and cook dinner over a fire.
 - After dinner, Scouts will play games with the staff before settling in to enjoy a special campfire and ceremony put on by our staff. Then they will enjoy homemade popcorn and s'mores before an optional astronomy hike. Finally, they will spend the night under the stars (you may bring a tent if you wish) before hiking back in the morning.
 - No special equipment is required for this program. Scouts will need only a sleeping bag, water bottle, bug spray, and flashlight. You may want to bring a backpack to use on the hike. Tents are optional and can be provided by the camp.
- **Chapel Service**
 - An interfaith "Scout's Own" service will be held on the last day of camp after breakfast. All Scouts and leaders are invited to attend.

Camp Policies

Alcoholic Beverages and Illicit Materials: Possession of these on camp property is strictly prohibited and violators are subject to removal from camp property. In addition, local law enforcement authorities will be notified, if necessary.

Cash and Valuables: Scouts and unit adults are encouraged to bring extra cash to camp in order to take advantage of our Trading Post and various open programs. Please note that Scouts and unit leaders are responsible for any cash and valuables while at camp.

Cell Phones: Due to security and youth protection concerns, campers will not be allowed to use a cell phone in any program area, dining hall, or any general camp area. Units are STRONGLY encouraged to instruct youth not to bring a cell phone to camp. Use of cell phones in individual campsites is the responsibility and liability of unit leaders.

Clothing and Shoes: Appropriate clothing must be worn at all times by youth and adults. Open toe shoes/sandals are not allowed anywhere on RSR property. In addition, clothing with any references to drugs, alcohol, tobacco, or any other non-Scouting-related clothing deemed inappropriate may not be worn.

Electricity: Access to electricity is provided by the council in the Brtva Training Center. Scouts and Scouters should be prepared to make camp in their site without access to electrical outlets.

Firearms Restriction: In compliance with Boy Scouts of America National Standards, the use or possession of firearms or ammunition is strictly prohibited. Law enforcement officials required to carry duty weapons must present written notice from agency stating that carrying a weapon at all times is mandatory.

Flames: No flames, including small candles, are allowed in any tent, cabin, or other structure. Please make an effort to equip tents with "No Flame in Tent" signs.

Fuel: No flammable fuels are permitted in the campsites or general camp area. All fuels are kept locked by the camp ranger.

Pets: No pets are allowed on camp property.

Tobacco: In keeping with national guidelines, Rainbow Scout Reservation has established a policy restricting smoking and tobacco use to the designated area only.

Tour Permits: Any troop traveling over 50 miles and outside their council borders should file a tour permit. The camp will sign the permit at check-in.

Vehicles in camp: No personal vehicles are allowed to drive into the camping area. All vehicles must be parked in the main parking lot.

Packing and Equipment

Each Scout Should Bring the Following

Medical Form (bring to check in)	Extra shirts	Flashlight
Medication	Jacket or sweatshirt	Water bottle
Swim trunks (wear when you arrive)	Pajamas	Insect repellent
Scout uniform	Shoes (at least 2 pairs)	Sunscreen

Camp Fees, Refunds, and Camperships

Camp Fees

<i>Category</i>	<i>Fee</i>
Youth	\$165.00 (Due by June 6 th) \$190.00 (Due after June 6 th)
Adult	\$85.00 (Due by June 6 th) \$95.00 (Due after June 6 th)

Refunds

Individuals requesting a refund of camp fees must coordinate with their unit treasurer or unit chairperson. The unit treasurer or chairperson can submit requests to the Council Camping Committee. Requests must be in writing and postmarked no later than July 31st, 2018 to receive full consideration.

Please note that refund requests will be honored only for extenuating circumstances. If the request is approved, Rainbow Council will send the refunded balance to the unit's committee chairperson. Refunds are reviewed by the Camping Taskforce after the final camp, family camp (Sept 14-16) has occurred.

Send your refund request to:
Rainbow Council BSA
Attention: Camping Taskforce / Refund Request
921 South State Street
Lockport, Illinois 60441

Camperships

Campership funds can be requested through the unit Cubmaster or Committee Chairperson. Campership applications are available in this document. Campership forms should be submitted with the included form to the Council Service Center postmarked by April 15, 2018.

Health and Safety

Medical Forms

- The Boy Scouts of America require that participants at Resident Camp present a copy of the *Annual Health and Medical Record* when checking into camp.
- There are 4 sections of the *Annual Health and Medical Record*, Parts A, B, C, and D.
- **Both youth and adult participants are required to present a copy of this form with parts A and B completed.**
- **It is strongly encouraged that participants also have Part C completed, however this is not required.**
- The *BSA Annual Health and Medical Record* is available for download at www.scouting.org and clicking on "Forms."

Health Officer

A certified camp health officer will be available at all times for emergency and routine care. Each individual coming to resident camp is required to have a completed medical form. All medications—for both youth and adults—must be checked in with the health officer upon arrival at camp unless required to be kept with the patient (such as inhalers or Epi-pens). Medications must be in the original container with the pharmacy label and directions.

Our camp undergoes a rigorous visitation process every year to ensure the safety of our programs and facilities. Part of the national standards for the Boy Scouts of America requires that you check in your medications with our camp health officer. If you have any questions, please let us know.

Arrival and Departure

Checking into Camp

Staff members are available to begin checking in campers at 2:00PM on the first day of your session. Please plan to arrive as early as possible to ensure a stress-free day with plenty of time to set up camp.

All campers should plan to arrive no later than 5:00PM to ensure enough time to complete registration and set-up at camp.

Every Scout and adult must have a medical form with them at arrival. All campers should also arrive wearing a swim suit. This will allow you to begin checking in as soon as you arrive.

When you arrive a staff member will greet you in the parking lot and direct you to the check-in area, where you will receive a schedule for the session and settle any outstanding balances. From there, your staff guide will lead you to medical rechecks (where you will need your medical form) and the waterfront for a swim test. Afterwards you will head to your campsite to set up.

No cars will be permitted to drive to the campsites. Our staff will assist you in bringing your gear to the campsite, especially heavy or bulky items.

Swim Tests

All participants, who wish to participate in aquatic activities must take a swim test to determine their swimming ability. Please arrive wearing swim suits in order to make this a quick process. Please note this includes adults and scouts.

Checking Out of Camp

On day 4, your morning will follow the routine of a flag ceremony and breakfast in the dining hall. At 9:00AM there is a chapel service for all youth and adults.

Units may check out with the camp director starting at 7:00AM. However, campers are encouraged to stay at camp for flags, breakfast, and morning chapel service.

Upon leaving camp, campers will also receive a summary of activities, patches, their medical forms, and other materials. See the camp director with questions regarding check-out procedures.

Frequently Asked Questions

Can I attend without the rest of my pack?

Yes! We have many parent/child combinations that are the only participants from their pack. Resident camp is a great time to bond with your child, and you can come, no matter what the rest of your pack is doing.

Can siblings attend resident camp?

Our tremendous program at RSR is centered on the Scouts and their Cub Scouting advancement opportunities. Due to this focus, we do not have a program for siblings to stay the entire session. Siblings are encouraged to come and visit for the day but there is no option for overnight stays.

Can siblings that are registered Boy Scouts attend?

Yes! Scouts can attend in a Den Chief capacity. These scouts should register as adults and pay the adult fee. What a great opportunity for siblings!

Can two parents “split shift” time at camp?

Yes! If two adults want to attend a part of the camp and “switch places” with another adult, you can pay for only one adult. When the arriving adult checks in, the camp staff will issue a new wristband and collect the wristband from the departing adult.

Will there be electricity in the campsites?

No! All campers should be prepared to camp without access to electrical outlets in the campsites.

How do I register?

You can start your registration online at <https://scoutingevent.com/702-rsrresidentcamp2018> and register as a group (pack/den) or as an individual family. Check with your pack leadership on which method your pack prefers. Registration is not complete until full payment has been received.

Why should I attend resident camp?

Resident camp is an amazing outdoor experience that provides fun, advancement, and a great bonding experience between parent and child. Pack leaders will often find themselves bonding in new ways too.

Don't forget that resident camp is a great way to keep youth interested in the Scouting program.

Lastly, resident camp provides a great preview into the exciting world of Boy Scouting! The entire staff is composed of Boy Scouts and Venturers. This is a great time to interact with youth and adults involved in the Boy Scouting program.

I have a special dietary need. What should I do?

Complete the Special Diet Needs form and submit this to the Council Service Center at least 2 weeks prior to your arrival at camp. Please note this form is for those with dietary needs due to medical conditions, allergies, or religious requirements. This should not be used to indicate “food preferences.”

Who can attend resident camp?

Any registered Cub Scout (Bear, Wolf, or Bobcat) or Webelos Scout can attend resident camp. There are no program offerings for Tiger Cubs nor Lion Cubs.

Can Scouts attend without a parent/guardian?

Scouts can attend without their parent, if another parent is going to be responsible for the Scout. Please remember that packs must maintain “Two Deep Leadership” and a ratio of three youth to one adult should be maintained while at camp.

Can visitors have a meal with the campers?

Of course! Meal tickets are available for purchase in the Trading Post for \$7.00.

Forms

Reminders

- In order to ensure a successful camp experience, we ask that packs register as a unit, rather than as individual members. Pack registration forms are included to help the coordinating pack leader collect and organize information to enter in on-line registration at: <https://scoutingevent.com/702-rsrresidentcamp2018>. The pack will then register on-line and submit payment to the Rainbow Council Service Center, postmarked by the deadline date. ***Please note registration is not considered complete until the full payment has been received at the service center.***
- Packs registering together should send in the Pack Level registration form, listing each individual camper.
- Visit our Facebook page at 'Rainbow Scout Reservation' frequently for updates on resident camp.

Campership Application

This application for financial aid is to be filled out by the registered unit leader with the approval of the unit Committee Chair and a parent or guardian of the applicant. The completed form should be sent to the service center, attention campership request. In order to be accepted for consideration, the application must be in the Council Service Center postmarked on or before April 15th, 2018. No promise of camp aid is to be made to the Scout for whom the application is filed. Camperships are not awarded for 100% of program costs. All applications will be given fair consideration. In keeping with the Scout Law "A Scout is Thrifty," seldom will a campership be given for more than one-third of the camp fee. Camperships are not transferable and are restricted to registered Rainbow Council Scouts. Scouts must attend one of Rainbow Council's summer day or resident camps. Camperships are to be requested for one camp experience only.

Dietary Needs Form

Rainbow Scout Reservation strives to serve its campers nutritious meals which meet or exceed all applicable requirements and standards. The variety of foods available at meals is usually adequate to suit the nutritional needs of most campers. In order to meet the needs of participants who have special dietary requirements due to allergies, food intolerances, or other health issues, as well as those who have religious dietary requirements, it is necessary to obtain as much information as possible prior to arrival at camp. Please be as specific regarding exact nature and severity of any allergy or intolerance. This information is necessary to determine whether the individual can simply avoid eating certain foods, whether we need to assess all ingredients in every food, or whether offending foods can or cannot be stored or served where they may contact the individual or things he or she may eat. Additionally, extra time may be required to obtain special foods such as gluten-free breads or vegetarian, vegan entrees or foods made in nut free environments. While RSR attempts to provide meals which meet these special needs as much as possible, it is still the responsibility of the individual to avoid those foods which he or she is unable to eat. In some rare cases, it may be necessary for the camper to bring some food items, which can then be prepared by the camp staff.
