Description

along the way. Texas Powder Horn is your premier source for all of this and so much more.

Gain hands-on experience, network with your fellow Scouters, and share experiences to strengthen your program and deliver on the promise of Scouting.

Longhorn Council and Capitol Area Council are proud to co-host this year's Powder Horn training course at Longhorn Council's beautiful Camp Tahuaya, located near Belton, Texas.

During Powder Horn, we "learn by doing" with expert consultants who demonstrate the skills and explain where resources, such as equipment, facilities, guides, instructors, and certifications can be obtained. You will sample the activities yourself so you will know how much fun your unit will be able to have. We recruit an all-star staff of experienced Scouters and experts from all over Texas to guide you through the adventure! Then we help you bring ideas back to your unit with resources and a network of knowledgeable Scouters to offer advice and answer questions.

It is fun with a purpose!

Who Should Attend?

- Youth leaders - age 14 or older; youth must have completed his/her unit's version of leadership training (ie. ILST, ILSC, ILSS) or NYLT
- New adult leaders - that may lack experience in high adventure
- Experienced adult leaders - that feel their unit is in a rut
- Cub Scout leaders - looking for ideas for their Pack or getting ready to transition to a Troop
