Open to both older Scouts AND adult leaders, COPE is an acronym for Challenging Outdoor Personal Experience. It comprises a series of outdoor challenges, beginning with basic group initiative games and progressing to more complicated low-course and high-course activities. Some of these events involve a group effort, whereas others test individual skills and agility. Participants climb, swing, balance, and jump, as well as think through solutions to a variety of challenges. Most participants find that they can do much more than they initially thought that they could.

Project COPE is an exciting outdoor activity that can attract and keep older Scouts involved in the Scouting program. It is designed to meet the needs of today's youth who are seeking greater physical and mental challenges. The underlying goals of a Project COPE course are consistent with the methods of Scouting. Group activities are ideal for emphasizing the patrol method and developing leadership. Individual activities help promote personal growth. Participation is entirely voluntary.

Camp Rotary - PATH (Scheduled Classes)

PATH4 PATH Program

PATH (Primary Abilities Training Huddle) is a special program designed for your 1st year campers who have not yet reached the rank of 1st Class. PATH Scouts visit most every program area at camp as they work on the "skill instruction" requirements for their Tenderfoot, 2nd & 1st Class ranks. PATH Scouts also take part in a special overnight camp-out, where they cook their own meals, and enjoy an evening campfire program. They will earn the Fingerprinting Merit Badge as part of their PATH experience. PATH Scouts are encouraged to bring their own tent, backpack, and an adult leader or two who can assist with the PATH program. The PATH program is available to Scouts to use as they need.

Scouts can take part in all of the PATH program or just the parts they need to advance.

PATH provides your Scouts with the skill instruction needed to be tested by your unit's adult leadership - our staff does not sign-off on advancement. Adult participation is required for your Scouts to receive the maximum benefit from PATH.

Adults that attend the PATH program for the whole week will receive their Introduction to Outdoor Leadership Skills (IOLS) training.
